**Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds**

Reach Out and Read Colorado ensures program quality and oversees faithful delivery of the research based program model by working closely with the network of participating clinics. Program delivery is monitored via annual, on-site quality assurance visits using a standardized site observation scale, monthly provision of technical assistance to each clinic, and quarterly technical assistance training calls. All funds to purchase program books are directly deposited into named, prepaid accounts for each clinic, held by Scholastic or All About Books, following submission of a bi-annual progress report. Account balances are monitored to ensure that funds are used to purchase new program books.
