

All About Books Book Recommendations

FOR CHILDREN 0-5 YEARS OLD

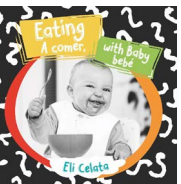

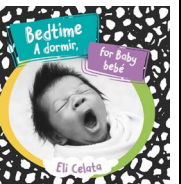

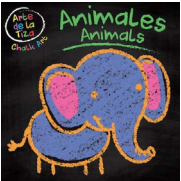

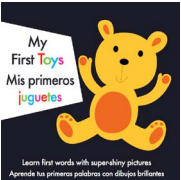

Reach Out and Read Colorado provides adequate funding for all of the books and collections below. The books on this list represent some of our favorites from the 2025 All About Books catalog, but you are welcome to order any of the titles in the catalog to incorporate into the Reach Out and Read program at your clinic.

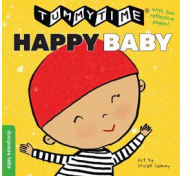

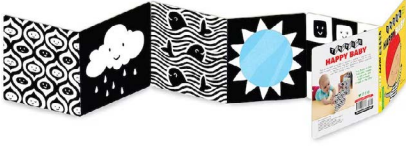

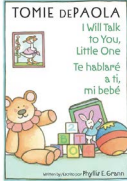

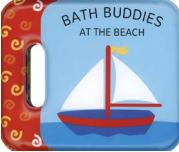

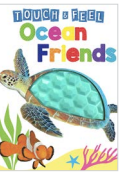

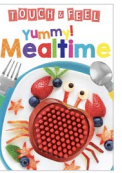

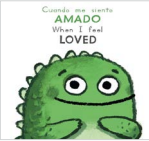

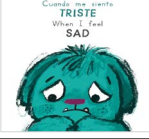

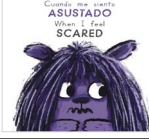

Order books as inventory runs low, and spend an average of \$3 per book. It is helpful to look at your last progress report and order based on the number of well-child visits you reported for the 6-month period.

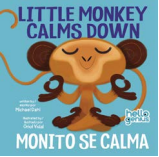

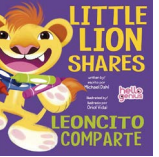

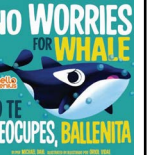

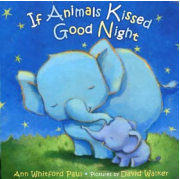

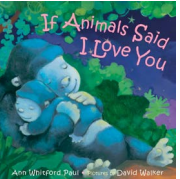

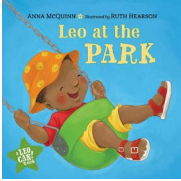

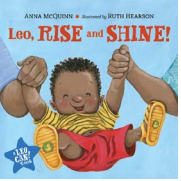

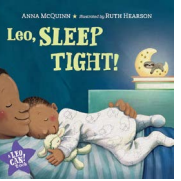

**Please note that you do NOT have to order for the entire 6 months at once. You can order as often as you need books.*

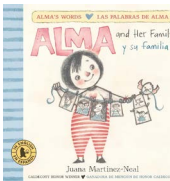

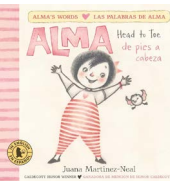

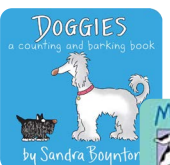

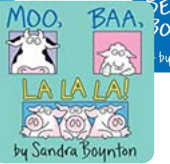

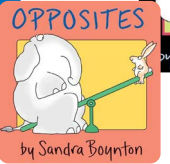

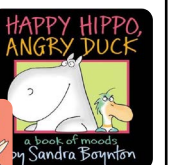

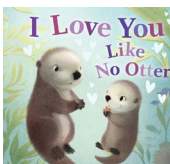

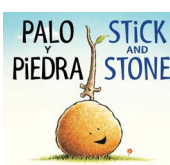

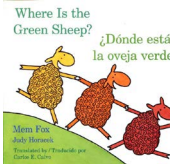

All About Books will send Reach Out and Read Colorado your invoice to be paid.

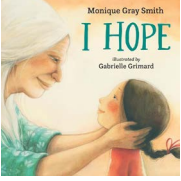

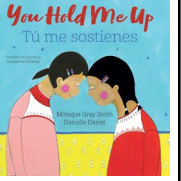

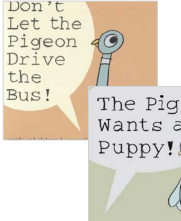

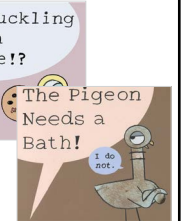

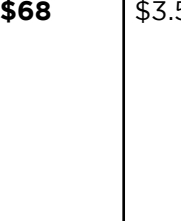

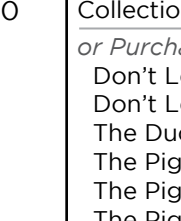

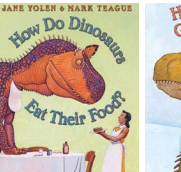

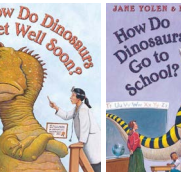

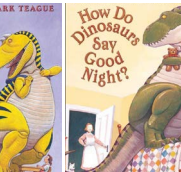

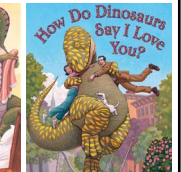

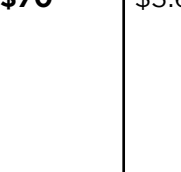

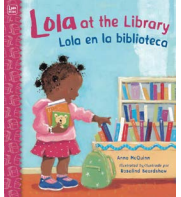

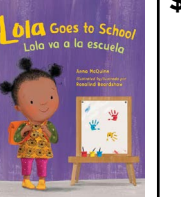

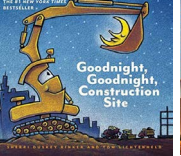

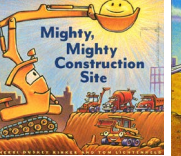

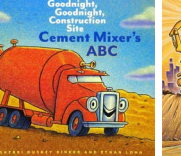

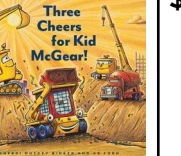

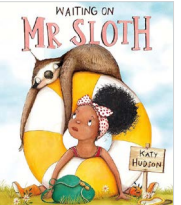

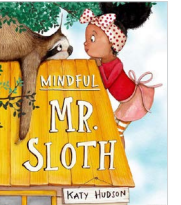

For additional assistance, or if you need more books in languages beyond English or Spanish, email your Reach Out and Read Colorado Regional Coordinator (*listed at the bottom of page 8*).
