BOARD BOOKS | AGE BIRTH - 2 YEARS

Due to uncertain funding circumstances across the state, we must temporarily adjust our average book cost from the current \$3.00 to \$2.50, effective immediately. While this is not a permanent change, it is an essential step to help sustain our program during a particularly challenging time.

Order books as your inventory runs low, just like normal. It is helpful to look at your last progress report and order based on the number of well-child visits you reported for the 6-month period.

**Please note that you do NOT have to order for the entire 6 months at once. You can order as often as you need books.*
